# FOREWORD

Throughout our lives we all strive for success. In an ever changing world we are always searching for the right door. Each day brings a challenge, another door must be opened. Each day must be faced with high hopes, courage, determination, and a deep desire for a better life.

As the years pass may we again look on the pages of the 1959 BLUE TORNADO and see the doors opened there which helped us reach that ultimate goal--SUCCESS.

A Literary Club was formed this year for those students who participate in extra-curricular activities other than athletic events. The students pictured above are the charter members, who drew up the following list of objectives.

1. Encourage participation in extra-curricular activities other than athletics, such as Forensic Meets.
2. Stimulate interest in improved scholarship.
3. Promote good study habits.
4. Help develop independent thinking and honesty in each individual.
5. Strive for perfect attendance and promptness.
6. Display good sportsmanship in all phases of school life.
7. Meet once a month on the third Monday.

# FOOT

The "Tornadoes" of Craigsville High School swirled into football warfare for the first time in 1958. Under the inspirational leadership of Co-Captains Cletus Myers and "Ikey" Nycum the novice gridirons overcame the seemingly insurmountable twin handicaps of no experience and a suicidal schedule to make Craigsville gridiron history.

While future teams will surely improve on the one victory, one tie, five losses record posted by this initial team, it is doubtful that any future squad will have

reason to be prouder of their accomplishments. Totally lacking in gridiron savvy, the "Tornadoes" were frequently compelled to rely solely on determination and desire.

Ronnie Via dashed 57 yards to tally the first Craigsville touchdown and a Zimmerman to Meeks pass added the extra point as the "Tornadoes" battled from behind to upset Greenbrier's Captains. Along pass from Cletus Myers to Via was good for 43 yards and the second TD, while Tommy Shellenberger bulled

over guard with the extra point which meant a 14-13 Craigsville Triumph.

Although the "Tornadoes" will lose many valuable members from this squad, the outlook for the future appears bright. All-important gridiron experience has been gained and a sound nucleus return for next years team.

We salute these trail-blazers who have earned their places in the fond memories of all C. H. S. fans!

### STANDING

### 2ND ROW STANDING

Patricia Gregory, Doris Morris, Mrs. Juanita Price, Coach, Janet Craig, Louise Morris.

After losing five top members of last year's squad, Mrs. Juanita Price performed an outstanding rebuilding job by directing the 1958-59 "Lady Tornadoes" to a third place District N finish. Had Mrs. Price been able to solve one perplexing problem, an acute shortage of reserve strength, the Craigsville girls would have, there is little doubt, climaxed their season by copping the district title.

With Jane Lee Showker, the district's top scorer, and Mary Tuttle leading the offense and with one of the top guards of District N, Barbara Montgomery, sparking an outstanding defense, the "Lady Tornadoes" posted a district record of five victories against five defeats, three by scant margins. Over the entire season they scored 590 to their opponents 542. In tournament play the Craigsville Misses dropped a heartbreaker to the eventual champions, Spottswood, by three points.

## BOYS'

The outlook at season's start could not have been considered bright for the Craigsville Cagers. Their ranks, devastated by graduation losses, the "Tornado" hardwooders could boast of only two returnees who had seen extensive action in prior campaigns. In addition only three other squad members had more than JV experience.

Added to these personal problems was perhaps the toughest schedule a C. H. S. team has ever played. The spirit of the boys remained high in spite of early reversals and in late season they were challenging for the top spot. After finishing the season in third place

with 7 wins and 3 defeats the "Tornadoes" once again hit a cold night in tournament play and lost to North River by five points.

Cletus Myers and Bernard Nycum as co-captains provided inspirational leadership with the sportsmanship of the team being outstanding whether winning or losing.

## TRACK

The 1958 "Tornado" track team recorded a successful season in spite of being dethroned as district champions. In a tri-angular meet with Wilson JV's and North River, the Craigsville cindermen surprised by taking first place in the meet by a sizable margin. In the District "N" meet at Bridgewater College, unfamiliarity with the track resulted in three disqualifications for minor infractions and the "Tornadoes" finished as runner-ups, 6 1/3 points behind the Championship Monterey "Rams".

## BASEBALL

Unfortunate injuries combined with untimely errors to tumble the 1958 baseballers into fifth place in District competition. Recognized as one of the top teams, lady luck refused to shine on the "Tornadoes". One of the top hitters, "Ikey" Nycum, was lost for most of the season when felled by a broken ankle. Saford Downey suffered a sprained wrist the day he was scheduled to pitch against Churchville and was unable to do so. Perhaps the true strength of this team is best reflected in the two defeats at the hands of District Champion North River. The "Tornadoes" were beaten in both instances by errors, first at North River 2-1 in the 12th inning, then at Craigsville 4-3 in regulation time.

## J.V. BASKETBALL

The 1958-59 "Baby Tornadoes" have made an impressive start during the opening stages of an ambitious nine game schedule. Thus far they have recorded four victories and are unbeaten. Several outstanding prospects for future varsity teams are receiving their baptism under fire as members of the Junior Varsity.
